

# ★ TRICK-OR-TREAT COMMUNICATION CARD

Communication tags specially designed for the Halloween! These tags are perfect for those who may be non-verbal (non-speaking) but still want to be a part of the Trick-or-Treat fun.

Simply **print** this page and **cut** out the rectangles below. You can laminate them together (front to back) and punch a hole in them for a ribbon or string for your child to use, or try slipping them into a simple badge holder with lanyard.
